

# ENVIRONMENTAL SUSTAINABILITY CHARTER

## AUDIT CERTIFICATE ESC BAND: PLATINUM

1 JULY 2022 TO 30 JUNE 2023

### Williams Metal Fabrication Pty Ltd

The Australian Steel Institute's Environmental Sustainability Charter (ESC) requires members of the Charter to be independently audited to the Environmental Management System annually to retain membership and to demonstrate continual improvement and culture change in environmental management of their business operations.

Williams Metal Fabrication Pty Ltd has demonstrated:

- Certification/compliance to ISO 14001 and an industry leader
- All Charter commitments have been met
- Evidence through all levels of the organisation of environmental awareness, continual improvement and ongoing initiatives
